This release includes forward-looking statements. These forward-looking statements can be identified by the use of forward-looking terminology, including the terms “believes,” “estimates,” “anticipates,” “expects,” “intends,” “may,” “will” or “should” or, in each case, their negative, or other variations or comparable terminology, or by discussions of strategy, plans or intentions. These forward-looking statements include statements that are not statements of historical facts and relate to our current intentions, beliefs or expectations concerning, among other things, our results of operations, financial condition, liquidity, prospects, growth, strategies and the industry in which we operate.

By their nature, forward-looking statements involve risk and uncertainties because they relate to events and depend on circumstances that may or may not occur in the future. We caution you that forward-looking statements are not guarantees of future performance and that our actual results of operations, financial condition and liquidity, and the development of the industry in which we operate may differ materially from those made in or suggested by the forward-looking statements contained in this report, in statements made by HK representatives in their presentations or in a “Question and Answer” period following such presentations. In addition, even if our results of operations, financial condition and liquidity, and the development of the industry in which we operate are consistent with the forward-looking statements contained in this release, those results or developments may not be indicative of results or developments in subsequent periods.

We undertake no obligation to publicly update or publicly revise any forward-looking statement, whether as a result of new information, future events or otherwise. All written and oral forward-looking statements attributable to us or to persons acting on our behalf are expressly qualified in their entirety by the above cautionary statements.
